CONSOLIDATED ORDERS DUE IN WASHINGTON, D.C., AUGUST 28

This copy of Smokey Bear's 1988 Campaign Catalog and Order Form is to be used in ordering 1988 Cooperative Forest Fire Prevention (CFFP) materials. These materials may be mailed directly to the National Forests, Regions, Area or States as you indicate on the order.

States should forward their orders to the appropriate Region or the Area office where orders will be combined and sent to Washington. Consolidated orders for Region 9 will include National Forests, and States in Region 9 will be consolidated by the Northeastern Area. All other Regions will consolidate orders for National Forests and States.

All Regions should use the software package for transmitting their Smokey Bear orders via Data General. No handwritten orders will be accepted. No orders will be shipped to P.O. boxes. It is important that total quantities be shown as number of standard packs. The item ordered, number of standard packs ordered, and the freight address are to be listed on a separate form for every item ordered. These forms are to be sent along with the consolidated order to Washington for our use in ordering materials.

If there is difficulty in obtaining items from vendors, you will be notified. Prices quoted are our best estimates of break-even costs and include prepaid delivery charges. Materials ordered will be obligated against FY 1988 funds and the Washington Office will request transfer of the full amount obligated early in FY 1988.

Please contact Patsy Cockrell, (703 or FTS) 235-8666, if you have questions relating to your 1988 order.

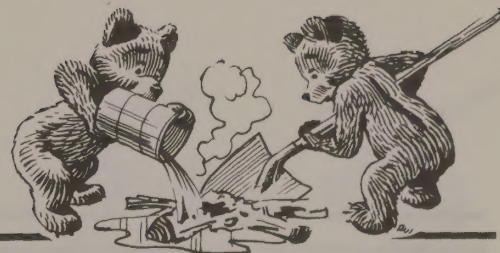

The National Association of State Foresters (NASF) will distribute their 1988 Catalog to State forestry offices. This NASF Catalog contains some of the same standard items found in the Smokey Bear Catalog. States may order direct from NASF, but Federal regulations prohibit any purchasing from NASF by Federal agencies.

SMOKEY BEAR HEADQUARTERS

WASHINGTON, D.C. 20252

Dear Friend:

For over 43 years, people like you have worked hard to help me prevent forest fires. We have done well together, but we can do even more in 1988.

This guide describes the materials prepared for my 1988 campaign. Some of the items have been around for many years, others are new!

With the cost of printing rising, it may be tough to finance the stocks we need to cover all the opportunities we have to push forest fire prevention. Please think about your own opportunities and problems and order the items that will best meet your needs.

Not included in this campaign guide are the "mass media" materials for radio, television, newspapers, outdoor and transit advertising, and magazines. These are distributed directly to the media by the Advertising Council. The media donate their time and space to forest fire prevention. Last year their donations were worth more than \$43 million. Local contacts were important in making that figure so impressive.

The key people in my campaign are people like you who want to help. REMEMBER... ONLY YOU CAN PREVENT FOREST FIRES!

Your friend,

SMOKEY
